Top left corner: Can I put my logo there?

Please remove 24/7

Can we change the font on the title?

Top part of the page:

Can we replace the wording with the following?

Helping Practices Thrive, One Claim at a Time

Running a practice is hard enough—billing shouldn't be. At **Precise Billing**, we take the headache out of revenue management so you can stay focused on patient care.

With 12+ years of hands-on experience, we deliver:

- **Faster payments** through accurate coding and efficient claims processing
- **Fewer denials** with proactive follow-up and proven denial management
- **Clear, transparent reporting** so you always know where your revenue stands
- **Flexible support** for commercial insurance, Medicare/Medicaid, PIP, and workers' comp claims

Whether you're a solo provider or a small clinic, we give you big-practice billing power—without the big overhead.

Let us handle the numbers, so you can handle what matters most: your patients.

Middle Page:

Instruction for Hover Text on Key Services Section:

- Each service box has a **title** that is always visible.

- When a user **hovers over the box**, the description text should **expand or change** to provide more detail.
- **Example:**

Default (always visible):

Full-Service Medical Billing & Claims Management

Hover (on mouse-over):

Comprehensive end-to-end billing for all specialties, including dental, behavioral health, home health, and telehealth.

Notes:

- The **main title stays the same**; only the descriptive text below it changes.
- The hover effect should **feel smooth** (fade, slide, or similar animation).
- Make sure the layout does not jump or shift when the text changes.
