

PRESS NOTE

Remain Committed to Nation-Building through Engineering Excellence – Rinaj Pathan

- **National Engineers' Day celebrated with enthusiasm at PMRDA Headquarters**
- **Officers and engineers from the Engineering Departments take oath of dedication**

Pune: The present generation of engineers should draw inspiration from the work, vision and dedication of Bharat Ratna Sir M. Visvesvaraya and make their highest contribution towards nation-building, along with the development of a strong and progressive Pune Metropolitan Region, said Rinaj Pathan, Chief Engineer (Special Projects), Pune Metropolitan Region Development Authority (PMRDA).

She was speaking at the National Engineers' Day programme organised at the PMRDA Headquarters in Akurdi. At the outset, Rinaj Pathan paid floral tribute to Bharat Ratna Sir M. Visvesvaraya by garlanding his portrait. In-charge Chief Engineer (Roads Department) Shivprasad Bagadi, In-charge Superintending Engineer Abhiman Bhosale, along with senior officials and a large number of engineers from PMRDA's Engineering Departments, were present on the occasion.

During the programme, the officers and engineers took an oath to remain ever-ready to contribute towards nation-building and to ensure that all works are completed with quality and within the stipulated timelines. On the occasion, confidence was expressed that PMRDA's entire engineering team would remain committed to building a developed Pune Metropolitan Region and contributing to nation-building through engineering expertise, integrity and the effective use of modern technology.

Purushottam Sangle, Information and Public Relations Officer, PMRDA
